Signature Theatre

PATRON PROGRAM

BE AT THE CENTER OF IT ALL
For more than 25 years, Signature Theatre has consistently been a company of firsts.

The first theatre company to celebrate the work of a single Playwright-in-Residence over an entire season

The first to create a residency program that guarantees multiple premiere productions for playwrights, known as Residency Five

The first to implement Affordable Tickets for every performance of every show during an initial run through the Signature Ticket Initiative

The first to open a Major Theatre Center in New York in nearly 50 years

The first New York City company to receive the Regional Theatre Tony Award® for its body of work

“Signature Theatre has made itself an invaluable part of Manhattan’s cultural landscape.”

- Ben Brantley, The New York Times

“Signature was the first theatre I ever purchased a subscription to. Great theatre was suddenly something very true and accessible and welcoming to me.”

- Branden Jacobs-Jenkins, Residency Five Playwright

BEING A SIGNATURE PATRON MEANS...

Championing our commitment to the playwright’s body of work.

Inspiring a vibrant and diverse cultural community.

Removing the price barrier to world-class theatre.

“Initially, Signature’s outstanding theatrical productions were reason enough for me to support its innovative and unique celebration of the playwright. When I learned about Signature’s Ticket Initiative, which brings world-class theatre within reach of every community in New York, I knew I had to make a serious commitment to help. IT’S A SOCIAL ISSUE FOR ME.”

– CATHLEEN COLLINS, SIGNATURE TRUSTEE
